

# IChemE Food & Drink Special Interest Group

## Undergraduate project prize application form

Use this form to apply for the Food and Drink Special Interest Group's undergraduate project prize.

### Notes for applicants

1. To be eligible for an undergraduate project prize you must be a registered university student and an IChemE member.
2. Applications should be made by emailing your completed form to [specialinterestgroups@icheme.org](mailto:specialinterestgroups@icheme.org).
3. Prizes are awarded competitively as an incentive to participate in an engineering activity which is related to the food industry. The decision of the Food & Drink Special Interest Group (SIG) is final.
4. Payment can only be authorised upon completion of the project and will only be made after receipt of the report described below.
5. A project report shall be submitted by the applicant along with the application form. The report should be 500-1000 words long and cover the key aspects of the project. The report may be published in the Food & Drink SIG newsletter, on our LinkedIn site, and/or IChemE's webpage, at the Editor's discretion.
6. IChemE is a registered charity in England & Wales and a charity registered in Scotland (SC 039661).
