### Introduction to POPSIG university roadshow

1. POPSIG roadshow, in collaboration with MPOC, aims to provide a platform for students to learn more about the roles of chemical engineers in palm oil industry.
2. It also addresses accurate perceptions and promotes various career opportunities in the industry.
3. POPSIG roadshow constitutes POPSIG Youth Sustainable Project that has been presented as a top performed project awarded by the European Union (Delegation to ASEAN).
4. NACES 2022 was listed as one of the events in this award-winning roadshow series.
