Innovate. Integrate. Impact.

Invitation to sponsor Chemeca 2026 and Hazards Australasia

We're excited to announce that Chemeca 2026 and Hazards Australasia will co-locate again in Melbourne, Victoria.

Chemeca and Hazards Australasia will be held at Marvel Stadium, from 28–30 September 2026.

We warmly invite you to participate, engage, and shape the future of our industry through this exciting event.

The theme for the 2026 conference is **Innovate. Integrate. Impact.** providing a broad platform to inspire progress through bold ideas, seamless collaboration, and meaningful outcomes. It reflects our shared commitment to shaping the future of chemical engineering and related industries by fostering innovation, connecting people and disciplines, and delivering real-world impact.

This event will bring together regional and international professionals from the chemical engineering and process safety sectors. It presents a valuable opportunity to engage with peers, exchange knowledge, and contribute to the advancement of the industry.

About Chemeca

Chemeca is the annual conference for the chemical and process engineering community across Australia and New Zealand. It brings together engineers, industrial chemists, and academics to explore emerging developments, share insights, and celebrate excellence within the profession.

About Hazards Australasia

Hazards Australasia is a leading process safety conference that promotes best practices, shares recent advancements, and reflects on lessons learned. It fosters a culture of continuous improvement in safety performance and attracts practitioners from across Australasia and beyond.

Benefits of Sponsorship

Sponsoring or exhibiting at Chemeca 2026 and Hazards Australasia offers extensive brand exposure to a diverse and influential audience, including:

- Chemical and process engineers
- Industrial chemists
- Academics and students
- Professionals from sectors such as oil and gas, manufacturing, mining, utilities, and food and beverage

Key benefits include:

- Prominent branding across event materials and venues
- Direct engagement with decision-makers and emerging professionals
- Opportunities to showcase products, services, and innovations
- Association with two of the most respected conferences in the region

Event Highlights

- Joint plenary sessions, and an exciting social program
- Two and a half days of programming across five streams
- Conference dinner, featuring the Awards of Excellence in Chemical Engineering

We invite you to participate in this important event and support the continued growth and innovation of our industry. Sponsorship packages are outlined in this prospectus or if you would like to discuss tailored partnership options, please contact: chemeca@icheme.org or hazardsaus@icheme.org

We look forward to collaborating with you in 2026.

Liz Hallifax and Kathryn Mumford
Conference Co-Chairs

Chemeca2026
Innovate. Integrate. Impact.

What is Chemeca?

Chemeca is an annual conference for the Australian and New Zealand community of chemical and process engineers and industrial chemists who come together to discuss latest developments in the field, share industry knowledge, recognise outstanding achievement, and share experiences and insights that help the industry to grow.

Chemeca 2026 themes are:

- Energy and catalysis
- Circular economy
- Artificial intelligence
- Manufacturing
- Bioprocessing (including food and drink)
- Resources
- Education
- Diversity, equity and inclusion
- Sustainability
- Water
- Health and biomedicine
- Critical minerals
- Governance and policy
- Entrepreneurship, leadership and management

What is Hazards Australasia?

Hazards Australasia is a leading process safety conference. It shares best practice, latest developments and lessons learned in process safety, promoting a continuous focus on improving process safety performance. It will bring together process safety practitioners from Australia, New Zealand and beyond.

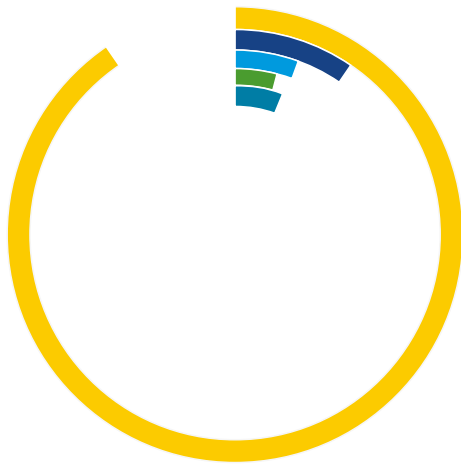

Themes for Hazards Australasia

- Identifying and embedding good practice in major hazards management
- The role of executive leadership in managing major hazards
- Understanding and managing the challenges and hazard implications of new technologies and applications
- Identifying further opportunities for sharing and learning across industries and sectors. haring and learning across industries and sectors.

Who will attend Chemeca 2026 and Hazards Australasia?

The Chemeca conference will interest all those who contribute to the advancement of technology and the process industries including engineers, scientists, manufacturers, suppliers, and service professionals. Hazards Australasia will attract process safety and loss prevention professionals to connect with their peers, build networks and renew their focus on good process safety practice.

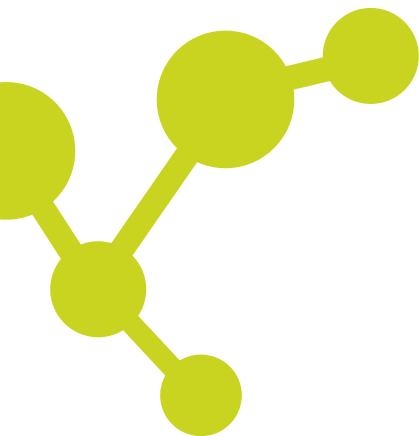

Location

- Australia
- New Zealand
- Asia
- Europe and Americas

Job level/type

- Managers
- Professor/Lecturer/Academia
- Senior/Lead/Principal Engineer
- PHD Students
- Director/CEO/Vice President

Why Sponsor or exhibit at Chemeca and Hazards Australasia in 2026?

Sponsoring or exhibiting at Chemeca 2026 and Hazards Australasia can help you generate new business leads, raise brand awareness, demonstrate your commitment to process safety good practice and/or provide a cost effective, time-effective way to catch-up with clients and contacts.

Key benefits of sponsoring:

Brand exposure among a diverse audience of scientists and engineers including (but not limited to)

- Process and Process Safety Engineers
- Senior lecturers, Professors and Heads of School
- National Managers
- Principal Consultants
- Vice Presidents
- Undergraduate and PHD Students
- Researchers

Establish relationships with potential clients from industries such as:

- Oil and Gas
- Mining
- Chemical
- Manufacturing
- Utilities
- Food and Beverage
- Major Universities across Australia and New Zealand
- An opportunity to promote your products or services - particularly if you work or support the field of process-related industries
- Assurance that you are partnering with organisations experienced in hosting well organised, well-attended events that attract national and international interest; and
- The opportunity to align your brand with a conference that will further the agenda for chemical and process engineering in Australia and New Zealand and to align with the peak bodies representing the profession.

By partnering with us for Chemeca 2026 and Hazards Australasia, your company will have exposure via our marketing activities including:

Multiple direct event communication sent to members and non-members across Asia-Pacific (upwards of 8000 per commination) via our:

- Weekly email communication bulletins
- Regular social media posts across all channels
- Direct emails

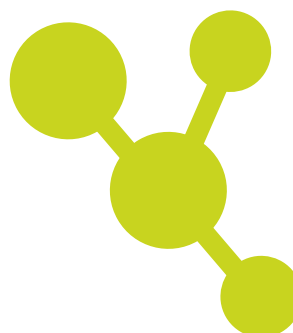

There is also opportunity to feature your logo in advertisements across:

The Chemical Engineer Magazine which reaches more than 30,000 process and chemical engineers worldwide.

Readers by job title *

*This data is taken from IChemE's membership database, showing the most popular job titles listed by members

Process engineers	5,131	
Managers including plant and operations managers	2,380	
Professors, lecturers and heads of department	1,069	
Safety and process safety engineers	1,037	
Consultants	988	
Chemical engineers	421	
CEOs, MDs, and company directors	322	

Number of readers by sectors in which they work

Many of our readers report working across multiple sectors:

And an even wider reach to our global audience with:

Over 180,000 social media followers across three platforms (LinkedIn, Facebook and Instagram).

Over 30,000 website views.

Something for everyone

There are varying levels of sponsorship available that provide the opportunity to promote your organisation and/or products. Customised sponsorship and partnership opportunities are available upon request. Please contact chemeca@icheme.org or hazardsaus@icheme.org for more information.

Below is a summary of the packages available for Chemeca 2026 and Hazards Australasia.

Prices listed are in Australian Dollars and exclusive of GST.

Overview

Conference Sponsors		
Conference Partner	\$25,000 (excl. GST)	2 opportunities available
Hackathon Sponsor	SOLD	Exclusive opportunity
Gold Sponsor	\$ 18,000 (excl. GST)	3 opportunities available
Silver Sponsor	\$ 12,000 (excl. GST)	3 opportunities available
Bronze Sponsor	\$ 10,000 (excl. GST)	Limited opportunities available

Networking Sponsors		
Conference Dinner Sponsor	\$20,000 (excl. GST)	Exclusive opportunity
Welcome Reception Sponsor	SOLD	Exclusive opportunity
Poster Zone Sponsor	SOLD	Exclusive opportunity
Lunch Sponsor	\$ 4,000 (excl. GST)	2 opportunities available
Coffee Cart Sponsor	SOLD	Exclusive opportunity

Program Sponsors		
Conference App Sponsor	\$6,000 (excl. GST)	Exclusive opportunity
Plenary Speaker Sponsor	\$ 5,000 (excl. GST)	Subject to program availability
Technical Session Sponsor	\$ 4,000 (excl. GST)	Subject to program availability

Conference Materials		
Name badge and lanyard Sponsor	\$ 6,000 (excl. GST)	Exclusive opportunity
Proceedings Sponsor	SOLD	Exclusive opportunity

Exhibition		
Single Exhibition Booth (3mx2m)	\$ 4,000 (excl. GST)	Limited opportunities available

Conference Sponsors

(all prices are in Australian dollars and exclude GST)

Chemeca Conference Partner (sole status)

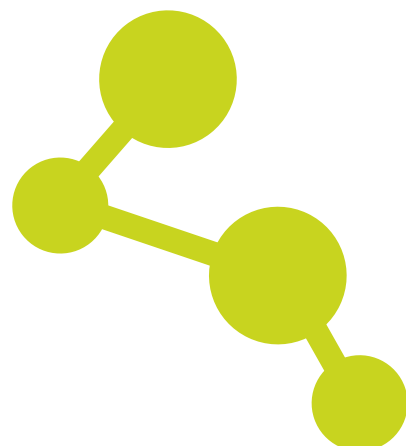

Hazards Conference Partner (sole status)

\$25,000 AUD (excl. GST)

Partner with Chemeca or Hazards Australasia, two well-established conferences in Australasia for chemical engineers, industrial chemists, academics and scientists from Australia, New Zealand and across the globe. Align your brand with a conference that will further the agenda in Australia and New Zealand and to align with some of the peak bodies representing the profession.

Sponsorship package includes:

- 5 complimentary registrations to the conference, dinner, and networking events
- 2 reserved seats at a VIP table at the conference dinner (reserved seats to be chosen from included complimentary registrations or additional registrations/dinner tickets purchased by sponsor)
- Verbal recognition as a Conference Partner during the conference and social functions.
- Opportunity for a company representative to give a (5) minute speech during the conference program (timing to be advised by the organising committee)
- Opportunity to sponsor a technical session in the conference program and have a company representative chair that session (subject to approval by the organising committee)
- Double booth space (6m x 2m) in the exhibition area
- 2 push notifications promoting your company during the conference (Sent to delegates via the conference app)
- Option to include 1 full page advertisement in the conference proceedings
- Option to include digital promotional material in the conference app (linked to your exhibition profile)
- Opportunity to provide branded notepads and/or pens for delegates (at sponsor's own cost)
- Company logo featured on all onsite conference signage and promotional materials
- Company logo and synopsis featured on the conference website
- Company logo and synopsis listed on the conference app
- Company logo featured in the conference proceedings

Hackathon Sponsor (Chemeca)

SOLD

The combined Chemeca and Hazards Australasia conference plans to host a student-led hackathon with a scenario to be fine-tuned with selected hackathon sponsor. The sponsor will have the opportunity to set the challenge and review the student submissions. Hackathon sponsors have a direct opportunity to meet young engineers who may be perfect to join their team.

Sponsorship package includes:

- 4 complimentary registrations to the conference, dinner and networking events
- 2 reserved seats at a VIP table at the conference dinner (reserved seats to be chosen from included complimentary registrations or additional registrations/dinner tickets purchased by sponsor)
- 1 representative from your organisation to join the Hackathon committee, providing the opportunity to shape the Hackathon problem
- Company logo featured on signage and promotional materials related to the Hackathon
- Option to include 1 full page advertisement in the conference proceedings
- Option to include digital promotional material in the conference app
- One push notification promoting your company sent during the conference
- Company logo and synopsis featured on the conference website
- Company logo and synopsis listed on the conference app
- Company logo featured in the conference proceedings

Gold sponsor (3 opportunities)

\$18,000 AUD (excl. GST)

Sponsorship package includes:

- 4 complimentary registrations to the conference, dinner, and networking events
- 2 reserved seats at a VIP table at the conference dinner (reserved seats to be chosen from included complimentary registrations or additional registrations/dinner tickets purchased by sponsor)

Conference host

IChemE

Institution of Chemical Engineers (IChemE)

IChemE advances chemical engineering's contribution worldwide for the benefit of society. We support the development of chemical engineering professionals and provide connections to a powerful network of over 32,000 members in more than 100 countries.

We support our members in applying their expertise and experience to make an influential contribution to solving major global challenges.

IChemE is the only organisation to award Chartered Chemical Engineer and Professional Process Safety Engineer status.
